THE LIGHTHOUSE

The Lighthouse is a proprietary management and reporting tool that allows you to access and manage the information on your POS system from any computer with an Internet connection. Run various real-time reports and even make changes to your product line remotely.

It has never been easier to take advantage of the benefits of a point of sale (POS) system. Harbortouch offers a full-featured POS system without all the hassle or the high cost. We removed the cost barrier and simplified the process so you can easily transition from your current transaction terminal to a state of the art touch-screen POS system that will streamline your business operations and automate your daily management activities. Harbortouch offers countless time and money saving features that will allow you to focus on what's important: keeping your customers satisfied and spending!

STREAMLINE YOUR BUSINESS

- Combine multiple operations into one easy-to-use application
- Accept cash, checks, credit and debit directly through your POS system
- "Fresh Sheet" and internal messaging features keep employees informed
- Manage employee schedules and productivity
- Track employee hours with a built-in time clock
- Comprehensive reports provide a top-level picture of your business

SAVE TIME AND MONEY

- Increase wait staff efficiency
- Quicker table turns
- Reduce server and kitchen errors
- "Fresh Sheet" keeps servers informed of items on-hand

ONSITE INSTALLATION AND EXCEPTIONAL SUPPORT

- Experienced and certified installation professionals make sure your system is set up correctly the first time
- 24 hour in-house customer service and technical support
- Remote support allows the Harbortouch support team to repair any software issues at any time

THE COMPLETE PACKAGE

When investing in a Harbortouch POS system, you're not only getting state-of-the-art software; you are also getting top-of-the-line hardware. Each piece of equipment that makes up every Harbortouch POS system has been specifically developed to perform in the most demanding restaurant environments. Unmatched in durability and reliability, a Harbortouch system will provide a point of sale solution for years to come.

*Not only that, but every Harbortouch POS system comes with a lifetime warranty! If the equipment ever breaks or malfunctions, we'll replace it for free!**

*Merchant must maintain merchant account and service agreement for free replacements. Shipping and handling charges apply.
