# Upgrade to a full featured, touch-screen POS system **AT NO COST!\***

It has never been easier to take advantage of the benefits of a point of sale (POS) system. Harbortouch offers a full featured POS system without all the hassle or the high cost. We have simplified the process so you can easily transition from your current transaction terminal to a state of the art touch-screen POS system that will streamline your business operations and automate your daily management activities. With both retail and hospitality versions available, Harbortouch offers countless time and money saving features that will allow you to focus on what's important: keeping your customers satisfied and spending!

## HOW CAN YOU BENEFIT FROM UPGRADING TO HARBORTOUCH?

- Streamline your operations: combine multiple operations into one easy-to-use application
- Accept cash, checks, credit and debit directly through your POS system
- Track inventory and monitor stock depletion
- Manage employee schedules and productivity
- Track employee hours with a built-in time clock
- A wide range of comprehensive reports provide a top-level picture of your business
- Remote online management through "The Lighthouse", a proprietary tool that gives you access to your system from any computer with an Internet connection
- Onsite installation and exceptional 24/7 support
- State of the art software combined with high quality hardware deliver a POS solution for years to come

\*Monthly service fee and merchant account agreement are required. Not all accessories shown are included in base package.
